

ProspectIQ

Sample Input & Output

End-to-end example run — Healthcare · Hyderabad, India

Sample Input

The following inputs were entered into the ProspectIQ frontend form and sent to the backend via POST /api/analyze:

Product Description	We sell a SaaS platform that helps hospitals and clinics manage patient appointments, billing, and medical records efficiently.
Target Industry	Healthcare
Company Size	200–500 employees
Decision Maker Role	CEO
Target Location	Hyderabad, India

Equivalent API request body (JSON):

```
{
  "product_description": "We sell a SaaS platform that helps hospitals
and clinics manage patient appointments...",
  "target_industry": "Healthcare",
  "target_company_size": "200-500 employees",
  "target_role": "CEO",
  "target_location": "Hyderabad, India"
}
```

Agent Pipeline Execution

#	Agent	Output Summary
1	Planner Agent	Created a Hyderabad-specific discovery strategy covering market size, buying behaviour, and search approach.
2	ICP Agent	Defined ICP: Healthcare, 200–500 employees, Hyderabad only, CEO decision maker. Location is a hard disqualifier.
3	Web Search Agent	Ran 5 parallel Tavily queries. Returned 20+ results. Extracted 5 verified companies in Hyderabad.
4	Validation Agent	Scored all 5 companies /100. Location match: 30pts. All 5 passed location filter. Top score: 100/100.
5	Decision Maker Agent	Searched LinkedIn + web for CEO at each shortlisted company. Found Shobana Kamineni at Apollo Health City (High confidence).

6	Enrichment Agent	Found email, LinkedIn, personalized hook, subject line, and 14-day outreach template for top contact.
7	Recommendation Agent	Produced ranked playbook: Apollo Health City #1 (100/100), Care Hospitals #2 (97/100), Wockhardt #3 (94/100).

Output 1 — Companies Found (Web Search Agent)

5 real companies identified in Hyderabad, India matching the Healthcare ICP:

Company	Website	Industry
Apollo Health City	https://apollohospitals.com/ahc/	Hospital Management & Healthcare Services
Care Hospitals	https://carehospitals.com/	Hospital Management & Healthcare Services
Wockhardt Hospitals	https://wockhardthospitals.com/	Hospital Management & Healthcare Services
Continental Hospitals	https://continentalhospitals.com/	Multi-specialty Hospital
Yashoda Hospitals	https://yashodahospitals.com/	Multi-specialty Hospital

Output 2 — Validation Scores (Validation Agent)

Each company scored /100. Location is a hard filter — 0 points and disqualified if outside Hyderabad.

Rank	Company	Location ✓	Score	ICP Match	Verdict
1	Apollo Health City	Yes	100/100	Strong Fit	Pursue Now
2	Care Hospitals	Yes	97/100	Strong Fit	Pursue Now
3	Wockhardt Hospitals	Yes	94/100	Strong Fit	Pursue Now
4	Continental Hospitals	Yes	89/100	Strong Fit	Pursue Now
5	Yashoda Hospitals	Yes	84/100	Strong Fit	Pursue Now

Output 3 — Decision Maker (Decision Maker Agent)

Top contact identified for #1 priority company:

Company	Apollo Health City
Full Name	Shobana Kamineni
Job Title	Executive Chairperson
Seniority	C-Suite
Location	Hyderabad, Telangana, India
Confidence	High

LinkedIn	https://in.linkedin.com/in/shobana-kamineni-790088350
Why chosen	Executive Chairperson and Promoter Director of Apollo Hospitals; nearly four decades of healthcare experience; key decision maker for enterprise software adoption.

Output 4 — Enriched Contact (Enrichment Agent)

Email	shobana@apollohospitals.com (Verified)
LinkedIn	https://linkedin.com/in/shobana-kamineni-790088350
Best Channel	Email
Best Time	10am–12pm IST, Monday to Friday
Hook	Apollo Health City's push to build India's most impactful omni-channel healthcare network aligns directly with our platform's patient management capabilities.
Subject Line	Revolutionizing Healthcare Access in India with [Product Name]
Opening Line	I came across your LinkedIn post on IndiaCares and was impressed by Apollo Health City's commitment to omni-channel healthcare.
Value Prop	Our platform enables seamless patient management across locations, complementing your vision of a comprehensive healthcare network.
CTA	Would you be open to a 20-minute call this week to explore how we can support Apollo's digital expansion?
Avoid	Generic healthcare jargon; unsolicited business pitches without a warm opening.

Output 5 — Final Recommendation (Recommendation Agent)

Executive Summary

5 top-tier healthcare companies in Hyderabad, India were identified and validated. Apollo Health City is the #1 prospect with a perfect ICP score of 100/100, a confirmed C-suite contact, and a verified email address. All 5 companies passed the location hard filter and scored 80+ (Strong Fit).

Prioritised Prospect List

Priority	Company	Score	Contact	Channel
1st	Apollo Health City	100/100	Shobana Kamineni, Executive Chairperson	Email
2nd	Care Hospitals	97/100	To be verified	LinkedIn
3rd	Wockhardt Hospitals	94/100	To be verified	LinkedIn
4th	Continental Hospitals	89/100	To be verified	LinkedIn
5th	Yashoda Hospitals	84/100	To be verified	LinkedIn

14-Day Outreach Sequence

Day 1: Email Shobana Kamineni at Apollo Health City — introduce the platform, reference IndiaCares post.

- Day 2:** Follow-up email to Shobana confirming interest and proposing a 20-min call.
- Day 3:** Research and verify CEO contacts at Care Hospitals and Wockhardt.
- Day 5:** LinkedIn connect request to Care Hospitals CEO with a personalised note.
- Day 7:** LinkedIn connect to Wockhardt CEO. Follow up Apollo by phone if no reply.
- Day 10:** Send value-add content (case study or ROI calculator) to all active threads.
- Day 14:** Final follow-up or pivot — if no reply, mark for next quarter and move to Continental/Yashoda.

Expected Outcomes
